Safety and maintenance are paramount at our resort. Our on-site fire station is equipped to handle any emergency, while our water treatment facility ensures that you have access to clean and safe water throughout your stay. Our maintenance office is staffed with professionals who keep our resort in pristine condition.

Waterpark Maintenance Building

Our waterpark is a source of endless fun, and to keep it in perfect working order, we have a dedicated waterpark maintenance building. This ensures that every slide, pool, and feature is operating flawlessly for your enjoyment.

58-Capacity Parking

For those looking to explore the water, our boat club building is the perfect starting point. It's where you can arrange boat charters, aquatic adventures, and enjoy the camaraderie of fellow boat enthusiasts.

Boat Club Building

Our main entrance/exit gate is not just a portal to our resort; it's your gateway to a world of luxury and leisure. Our welcoming and efficient gate ensures a warm reception upon arrival and a secure departure at the end of your stay.

Security Watch Tower

Your safety is our top priority. Our security watch tower offers vigilant oversight of the resort's premises, ensuring a secure environment for you and your family.

Private Boat Dock and Boat Club Dock

With private boat docks and boat club docks, you have direct access to the water. Whether you're embarking on a scenic boat ride or indulging in watersports, these docks provide a seamless connection between the resort and the aquatic wonders that await you.
