THE WORLD OF LEVITIKAL

LEVITIKAL REALITIES & CONSTRUCTION

Levitikal Realities & Costruction is a construction company with the goal of becoming a lead player in construction, design and finishing aspects of the building industry. Our reputation is built on solid ground. From innovative concepts, to creative designs, to flawless executions, we nail projects and build ideas into reality.

We build living and working spaces for clients. We focus on blending our international expertise with local architecture to provide sustainable and cost-effective solutions.

We are a Nigerian partner to the Milano Group, an Italian company that specializes in the manufacture of construction finishing materials like sanitary wares, kitchen appliances, tiles, electrical fittings, etc. We also own a franchise to production, sales and distribution of Colorado Paint in Nigeria. We also help with supplies of any or all kinds of building tools and equipment.

We provide construction finishing services to some major Estate Developers in Nigeria and Ghana - through the provision of funds to help take their projects from the carcass stage to completion, like Arkland Properties and Investment Limited, Brains and Hammers, and Sersingwe Group to mention a few.

We are committed to delivering high quality projects with our state-of-the-art machinery, our experienced, dedicated and highly motivated staff. Our efforts to achieve good Environmental and Social Performances are benchmarked against local and international requirements. We are customer-focused, service-oriented, time-conscious, safety, health and environmental conscious.

LEVITIKAL READY MIX CONCRETE LTD.

Levitikal Ready Mix Concrete Limited produces all standard grades of concrete ensuring the best quality at all times under international standards and requirements, along with a timely delivery system.

The concept of Ready Mix began as a result of identifying the biggest and most challenging problem facing all contractors that are result-oriented and want excellent end results - from concrete quality, to overhead costs, to labour production, to logistics.

Several construction companies & real estate developers use our products for all types of construction, (i.e. piling, foundation, building columns & slabs, as well as road drains & bridges). Levitikal Ready Mix Concrete Limited boasts of modern state-of-art batching plants as well as a fleet of transit mixers, stationary & mobile pumps.

YOUR BUSINESS ADVANTAGE

1

COST-EFFECTIVE

We provide cost effective solution when all cost factors of mixing concrete on site are taken into account, i.e the total cost of material, storage, security, hiring, waste, e.t.c.

2

SPEED

Concrete mixing on-site tends to be time consuming compared with the speed of discharge of our Ready Mix Concrete, especially when larger volumes are involved.

3

ACCESS

We provide the perfect solution where sites have insufficient space to set up a batching plant. We provide pumping services to move the concrete across difficult distances and heights.

4

PROFESSIONALISM

We have the resources and technical expertise to provide a range of mixes assuring the user of the right mix design for the application. We also have a high standard for quality delivery.
